Joining a fraternity or sorority is a rewarding experience you will have for a lifetime. Participation provides an experience like no other on a college campus, fostering leadership, academic achievement, career development, community service and citizenship. Membership also provides you with lifelong friendships and memories.

NSU fraternity men and sorority women are involved in Student Government, Rookie Bridge Camp, RiverHawk Ambassadors, Intramural Sports, Student Organizations, and that's just to name a few.

Our men and women are also active in the community. The following are some of the philanthropies NSU fraternities and sororities are involved with:
