

# Northeastern State University College of Education

The College of Education at Northeastern State University prepares educators, professional counselors, other mental health providers and fitness/health professionals to serve Oklahoma and the entire nation. Whether your career goals center around teaching in public schools, working with those seeking healthier physical and mental lifestyles, or attending graduate college for advanced preparation, the College of Education wants to help you reach your dreams.

Our faculty focus on preparing professionals who are teaching scholars, educational leaders and developers of human potential. Our teacher candidates and other graduates are committed to excellence in their fields and making a difference in their communities. Programs are accredited by the Council of Educator Preparation (CAEP) and the Council for Accreditation of Counseling and Related Educational Programs (CACREP).

## **NSU Pride Points:**

- » Education Professionally Immersed in Co-Teaching (EPIC) program provides enhanced internships with a year-long intern experience in P-12 schools.
- » The COE offers online master's degrees in Early Childhood, Instructional Leadership, Library Media and Information Technology, Masters of Science in Leadership, Reading, School Administration and Special Education.
- » COE's Robotics Academy of Critical Engagement won the 2018 AACTE Best Practice Award for the Innovative Use of Technology from the American Association of Colleges for Teacher Education.
- » Our students are exposed to multiple areas of diversity and gain experience at onsite reading clinics, urban and rural settings and international schools.
- » NSU is the top ranking four-year college serving American Indians in the country.
- » NSU's College of Education earned CAEP Accreditation for our teacher education programs in spring of 2019, with no areas for improvement.
- » The Council for the Accreditation of Educator Preparation (CAEP) recently announced Northeastern State University's College of Education as one of 13 providers from nine states and Puerto Rico that were recognized for leadership and commitment to continuous improvement as a recipient of the Frank Murray Leadership Award.
- » New FLEX Internship options available to all teacher education students. Select a 3, 4, or 5 day per week internship option to fit your personal needs!

## **Internships Opportunities:**

Immersive learning experiences, field experiences and/or internships are embedded through all curriculum and instruction, educational leadership, health and kinesiology, psychology, counseling and teacher education programs.

## Health & Kinesiology Department

The Health and Physical Education degree prepares teachers and coaches for K-12 schools. The majority of our majors seek and find teaching opportunities in Oklahoma and surrounding states.

The Health and Human Performance degree combines a broad science background with health and wellness interests. Graduates are employed in corporate settings, private fitness clubs and organizations, hospitals, health intervention programs and as consultants. The Health and Human Performance degree may also be used as a stepping stone toward a graduate or doctoral degree in fields such as Physical Therapy, Occupation Therapy, Physician's Assistant, Veterinary Medicine and Optometry.

### Majors

- » Health and Human Performance <sup>T B</sup>
- » Health and Physical Ed <sup>T</sup>

### Graduate Degrees & Certificates

- » Health and Sport Science <sup>T O</sup>
- » Health Education
- » Sport Administration/ Sport Administration/Management

## Psychology & Counseling Department

The undergraduate degree in Psychology prepares students to meet the requirements for future graduate training in the many fields of psychology. In addition, these programs develop students' skills in recognizing, researching and assisting with the behavioral, cognitive, and psychological needs of clients in a variety of settings, including clinics, hospitals and schools. Our graduate degree in Counseling prepares future clinicians, addiction counselors and school counselors to serve the mental health, social and career/academic needs of clients in a variety of settings.

### Majors

- » General Psychology <sup>T B</sup>

### Minor

- » Early Care <sup>O</sup>
- » Human Development & Family Studies <sup>O</sup>

### Graduate Degrees & Certificates

- » Counseling <sup>T B</sup> (Clinical Mental Health Counseling, Addictions Counseling, School Counseling options)

<sup>T</sup> Courses offered on Tahlequah campus
